Here is trading ranges for Tuesday

Dear Members,

We are launching an interesting service of day trading ranges with positive and negative day trading cycles, which will help you to make short term trading decisions or for the day trader to trade in and out in ranges mentioend. This will also be a guide for trending patterns. For the first week we are keeping the rate of \$298 per month, and after that we will increase it to \$451. Click here to Subscribe: <http://www.mahendraprophecy.com/day-trading.php>

Here below is smaple copy of letter of today.

Here is todays's day trading ranges with positive and negative cycle.

Thanks & God Bless

Mahendra Sharma
